
submit problem??

Posted by sixkilos - 2008/03/12 23:14

i am having a problem with the submit comment.

it return an error:(Fatal error: Invalid API key. Please obtain one from <http://wordpress.com/api-keys/> in
/homepages/46/d218664632/htdocs/joomla/administrator/components/com_maxcomment/classes_akismet/php4/Akismet
.class.php on line 109)

i am using mxcomment 3.0.2

"my api key is valid"

need help
