## removing copyright

Posted by vezvon - 2008/05/26 19:55

---

Hi,

is it possible to remove this text from alpha content:

Powered by AlphaContent 3.0.4 © 2005-2008 - All rights reserved

Hello Admin,

I would not like to remove your credit.

Instead, I would like to move it to our Site Development Credits section.

We would happily include there any copy (wording) and/or link that you would like. Can you let me know if this is ok with you please.

Thanks,

Percy
